# "The President's Message:"

Dear members and friends of the Church of the Living Spirit!

Once again we joyfully make the trek home to the Assembly Hall from our summer time platform in the auditorium. As we go up the steps into the hall, into the Church of the Living Spirit, I ask that we pause for a moment and consciously bless this community, bless this congregation, this family, these friends who together create the church.

One morning many years ago I awoke to the voice of spirit: "Appreciate what you have; or you will have to learn to appreciate what you have". Appreciate! ...is to look upon with sensitive awareness! Appreciate! ...is to make better! ... Our appreciation, our blessing of one another is the beauty, the strength, the life force that contributes to the harmony of the world we live in. And the world we live in is here in Lily Dale. .... All the members of this community, and all the members of this church, whether here physically or energetically speaking, are filling this area with energy. We know that once anyone joins a group their energy is now mingled with that group through the very act of choosing to be part of it. ... distance is no barrier to energy. ... so whether you as a member live in California, Florida, Ohio, or right here in Lily Dale your energy is here. .... and energy is never idle. .... so whether far away or right up the street you are helping to create the well being of this community, this congregation. When we love, when we appreciate, our thoughts shower blessings on the object of our attention. .... the object of that love can be a child, a plant, a building, an organization. The being, or the plant, or the building will shimmer with the blessings we send. The thought or the blessing we send need not be wrapped in long and eloquent words, or in elaborate ritual. The simple turning of our attention to anything blesses that entity with the intention of our thought. And in truth our intention blesses every action we take and every thought we think. ... Let it be our intention to be an agent of good for our church and for our community.

Please join together as "We consciously love and appreciate our community and our church, and as we bless our community, may it continue to prosper and thrive. ... and may it continue to be a welcoming beacon to those who come seeking comfort and greater spiritual understanding."

I am delighted and honored to serve our church as president this year. .... Namaste!  
emmy chetkin

10 A.M. - NOON (BREAK FOR LUNCH) 1 P.M. - 3 P.M.

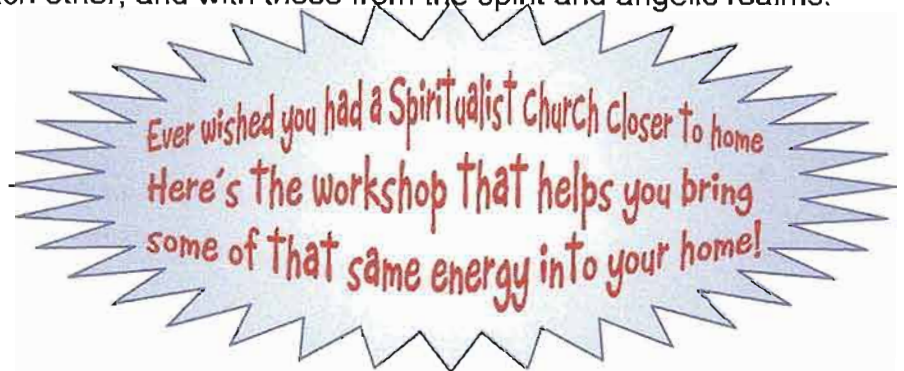

**\$45.00**

**ASSEMBLY HALL - CLEVELAND AVENUE - LILY DALE, NY**

This will be an interactive experience, giving insight on how to form a home circle, and how to choose the right circle, best suited to your personal development. ## TOPICS WILL INCLUDE:

- ▶ A brief history
- ▶ Guideline for successfully running a circle

Using meditation you will connect to your higher consciousness in order to develop deeper levels of communication with spirit. This communication may take the form of healing, psychometry, automatic writing, inspirational speaking, clairvoyance and possibly physical mediumship.

You will come away with a better understanding of your own spirituality, all aspects of mediumship and know the skills necessary to conduct a successful home circle.
